Recruitment Process

1

Consultation

Consultation with your personal recruitment consultant to craft the perfect job ads tailored to your needs.

2

Tailored marketing

We market your vacancy across all major job boards (like SEEK and LinkedIn), social media, and our candidate database.

3

Screen and shortlist

We screen and shortlist every applicant for you, providing you with updates every 3 to 4 days.

4

Back to you!

You get a shortlist of suitable candidates who meet your criteria, ready for you to conduct final interviews before you make an offer.
